TODAY I LOVE MY BODY BECAUSE...

I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well. Psalm 139:14

Daily Affirmation

As women, we often battle the inner thoughts of comparison and negativity revolving around self-image. Our goal for the month of February is to re-center our hearts and minds on the things we LOVE about ourselves by promoting and encouraging body positivity. As you take the time each day to write down what you love about yourself, I hope you will share on social media and empower other women to find something they love about themselves too!
